NaperLaunch is a new business start-up center at Naperville Public Library. Business owners, start-ups and entrepreneurs have access to the library’s business resources, including powerful online databases, one-on-one appointments with business services reference staff, weekly networking and learning events and monthly workshops. Event schedules are found on the website or on display at library locations. To be added to the distribution list for monthly announcements of the events and workshops schedules send us an email or call.

Weekly Business Events
Thursdays 8:00 a.m.
Nichols Library

1st Thursday: Center for Entrepreneurship at COD:
Learn about the Small Business Development Center, International Trade Center and Procurement Technical Assistance Center.

2nd Thursday: Meetup and Guest Speaker: Focused on networking. A local professional will address a specific business topic.

3rd Thursday: SCORE Business Roundtable:
Open forum discussion with other entrepreneurs.

4th Thursday: Meetup and Guest Speaker: Focused on networking. A local professional will address a specific entrepreneurial topic.

Monthly Small Business Workshops
Nichols Library

Workshops are presented throughout the year by local professional experts and include:

- What it takes to be an Entrepreneur
- Writing a Business Plan
- Organizational Structure
- Managing Intellectual Property
- Managing Cash Flow
- Sales & Marketing
- E-commerce
- Succession Planning
- Idea Lab
- Employee Benefits
- and many more related subjects

The Rubber Ducky Club – For infants through 35-month-olds
Babies are born ready to read, and parents, grandparents and caregivers have an important role as baby's first teachers. Babies and toddlers love to hear their parents' voice, and reading together is a great way to spend time bonding. Reading to a child also promotes listening skills, memory and vocabulary skills, language development, stimulates the imagination and instills a love of books and learning. The Rubber Ducky Club is the perfect opportunity for parents to get into the habit of reading with their child, having fun and learning new ways to encourage early literacy.

• **New this year!** The Summer Reading Program is open to all – no library card is required.
• Beginning Monday, June 1, parents can get their children started on this pre-reader program by coming to Naperville Public Library or printing the reading log online. http://srp.naperville-lib.org/evanced/sr/homepage.asp
• Each child needs a Rubber Ducky reading log that contains 12 suggested early literacy activities.
• After completing these activities together, the child will be eligible for prizes.
• The last day to complete a reading log and receive prizes is Aug. 31.

Every Hero Has a Story – For 3-year-olds through 5th grade ...

• **New this year!** The Summer Reading Program is open to all – no library card is required.
• Children 3 years old through those entering 5th grade can receive a reading log either at the library or from the library’s website, http://srp.naperville-lib.org/evanced/sr/homepage.asp
• Children set their own reading goals. Prizes will be awarded each month the goal is met.
• **New this year!** Super readers will be allowed to spin the Wheel of Reading.
• The last day to complete a reading log and receive prizes is Aug. 31.

For teens in 6th through 12th grades and Adults:

• Teens and adults can make reading a family affair during this summer's Every Hero Has a Story program. They can visit the library to sign up or participate from their home computer.

**Sign up at the library...**

• Register at the summer reading table and receive a reading log.
• Bring back the log when the indicated reading and activity mission is reached to collect a prize. Participants will automatically be entered into the weekly drawing after completing each mission.

**Participate from home...**

• Connect to the library's Summer Reading Program page http://srp.naperville-lib.org/evanced/sr/homepage.asp
• Select either the adult or teen program.
• Participants can enter their Naperville Public Library card number, or those who don’t have a library card can enter their information.

**To create a reading log...**

• Participants can go to the library's website, click the link for the Summer Reading Program and log on with their username and password.
• Click on the “Add/View” log button to create an electronic reading log.
• Enter the book's title or name of activity in the box provided. Other information may be entered but is not required.
• Rate the book on a 1-to-5 scale, with 5 being a good read and 1 being not so good.
• Click “Save.” To log another book or activity, repeat the steps above.
• To write a review for the library's website on one of the titles read during the Summer Reading Program, click on the “Add a Review” button on the bottom right hand side of the login page.

**To collect a prize...**

• Visit the library to collect prizes earned by reading and completing activities. Participants will be entered into the library's weekly prize drawings automatically upon logging their missions.
READ2GETHER
Students entering 1st through 5th grades can spend time reading aloud with an older student. This non-tutoring program is intended to provide students an opportunity to spend enjoyable time reading aloud with a student volunteer. Students will be paired with a volunteer entering 6th through 12th grades and spend the one-hour session taking turns reading aloud. Depending on attendance, participants may be placed in a group. Those arriving more than 10 minutes late cannot be guaranteed placement with a partner. Please note: It is expected that all participants will be independent readers. Children may bring their own book or select one at the library.

FAMILY STORYTIME
This 30-minute program of stories, songs and other activities is for children of all ages. In addition, strategies will be presented to parents so they can enhance early learning opportunities at home. At least one parent or adult caregiver is required to accompany children to these fun-filled programs.

RIVERWALK STORYTIMES
Staff will present this popular Riverwalk program, which will include stories, songs and a puppet show. Participants can bring a meal or snack. In the event of inclement weather, the program will take place in the Community Room of Nichols Library. (The Wednesday lunchtime program will be a repeat of the Tuesday evening program.) These programs are presented in partnership with Naperville Park District.

EVENING ON THE RIVERWALK
Riverwalk Amphitheatre
Tuesdays, June 9 – Aug. 4
7:00 – 7:45 p.m.
No program Tuesday, June 30

PICNIC ON THE RIVERWALK
Riverwalk Amphitheatre
Wednesdays, June 10 – Aug. 5
11:30 a.m. – 12:15 p.m.
No program Wednesday, July 1

MAGICAL SUPERHEROES
Join magician Tim Glander as he presents a colorful and energized superhero-themed show, combining magic with a variety of heroes from history and the comic book world. His dynamic show will reveal the names and lives of many important heroes both well-known and new. Get ready for an entertaining and magical ride! Kids can get in the spirit by wearing their favorite superhero costume! This program will be presented twice; the second program will be a repeat of the first program.

Meeting Room A/B  10:30 – 11:30 a.m.
Saturday, June 6
12:30 – 1:30 p.m.

*BOOK & COOKIE CLUB
Visit the library for a child-and-parent book discussion group. The child and parent/adult will read the selected book together and then attend the club’s meeting to discuss it with others while enjoying a cookie or two. Each book will be chosen at the preceding meeting and listed on the library’s website, www.naperville-lib.org. The library will have multiple copies of each title available for checkout. For children in 3rd through 5th grades. Program is limited to 15 child/parent pairs.
*Advanced registration is required for 95th Street and Naper Blvd. libraries.

Monday, June 15
Monday, July 20
Monday, Aug. 10

EVERYDAY HEROES CONTEST!
Children can nominate someone who has been a hero in their life, giving them the recognition they deserve. In a short, one-page essay, children can share the reasons why their hero deserves to win and how they have made a difference in their life. Include at least one photo to accompany the nomination. The winner will receive a certificate of recognition, and they will be highlighted on the library’s website and social media channels. Participants can drop their submissions off at any children's desk by July 15. For children in 2nd through 5th grades.

BABY PLAY DATE
Parents can stroll into the library with their baby for a play date that allows children to share interactive bonding time with their caregivers and meet new friends. This program will include 20 minutes of stories, songs and bouncing fun as well as 10 minutes of exploratory play. For infants to 23-month-olds and their caregivers.

Meeting Room B  9:30 – 10:00 a.m.
Friday, June 19
Friday, July 24
Friday, Aug. 21
SENSORY STORYTIMES
Families are invited to a 30-minute program of books, songs and fun for children with special needs. All abilities are welcome with an adult caregiver.

Children's Storyroom  2:00 – 2:30 p.m.
Saturday, June 6
Saturday, Aug. 1

*TWIRLING AND TWEETING ROBOTICS
This program will spark creativity as children can design and program robotic birds that sing and dance. Learners can utilize their critical thinking skills to build robots out of LEGO® and program them using WeDo software. Each group will be challenged to put their STEM skills to the test, redesigning their robots to react and move differently. *This program is presented in partnership with Sylvan Learning of Naperville/Woodridge. *Program requires advance registration and is limited to 24 children in 2nd through 4th grades.

THE POWER OF PLAY
Adult and child interactive play is critical to language development. Families can have fun and play with their children at stations that include manipulatives, board games and puzzles as well as items for imaginative play and gross motor activity. This is a drop-in program with a room limit of 30. *For infants through 5th grade with parent.*

NBL
Program Room  11:00 a.m. – 12:00 p.m.
Friday, June 12, 19 & 26
Friday, July 3, 10, 17, 24 & 31

BARK FOR BOOKS
Therapy dogs are back this summer and waiting to hear a good story. Kids are invited to read with a therapy dog team from the PAWSitive Therapy Troupe or Naperville Area Humane Society's Paws for Tales. Tickets will be available starting at 11 a.m. the morning of the program. *For children entering 1st through 5th grades.*

NBL
Program Room  11:30 a.m. – 12:30 p.m.
Saturday, June 13, 20 & 27
Saturday, July 11, 18 & 25
**NIGHT AT THE MUSEUM**
Ever wonder what happens at night in a museum? Children can visit the library to see what really goes on when no one is around. Stories, dancing and singing are all part of the fun. Children will make a souvenir craft to bring home.

**Program Room**
Thursday, June 18       2:00 – 2:45 p.m.

**Community Room**
Thursday, June 25       10:30 – 11:15 a.m.

**Meeting Room A/B**
Friday, June 26         10:30 – 11:15 a.m.

**SEE SUPERHEROS! BE A SUPERHERO!**
Cartoonist Paul Merklein will combine cartoons, comedy and audience participation as he draws famous superheroes from comic books, TV and movies. Paul will show the audience how to draw superheroes and how they can all be superheroes too. This program will be presented twice; the second program will be a repeat of the first program. Room limit is 50.

**Program Room**
Saturday, June 20  3:00 – 4:00 p.m.

---

**RACING WITH ROBOTICS**
Children can utilize their critical thinking skills to build robots out of LEGO®s and program them using WeDo software to move, react and make sounds. Children also will create cars that actually zip through an interactive, robotic finish line. This robotics class will enhance communication, collaborative and problem-solving skills. *Program requires advance registration and is limited to 24 children in 4th through 6th grades.*

**Program Room**
Tuesday, June 16  1:30 – 3:00 p.m.

**Community Room**
Tuesday, July 7  1:30 – 3:00 p.m.

**Meeting Room A**
Wednesday, Aug. 5  1:30 – 3:00 p.m.

---

**DUPAGE CHILDREN’S MUSEUM PROGRAMS**
**Come Play With Us at the Library!**
DuPage Children's Museum is taking exhibits on the road and visiting the library. The museum’s early learning specialist and community access coordinator will provide play facilitation techniques using portable versions of full-sized exhibits. In addition, library staff will demonstrate the power of play through storytime. *This program is presented in partnership with DuPage Children’s Museum.*

**Community Room**
Thursday, June 18  10:00 a.m. – 12:00 p.m.

**Children's Program Room**
Thursday, July 23  10:00 a.m. – 12:00 p.m.

**Program Room**
Friday, Aug. 7  10:00 a.m. – 12:00 p.m.

---

**StoryWalk®**
Families can take a stroll at Naperville’s parks during this free StoryWalk that will merge the benefits of literacy, physical fitness and fun. Pages from the library’s featured picture book will be displayed along the designated path. Maps will be available at the starting point, and participants can read and walk at their own pace. At the end of the StoryWalk, DuPage Children’s Museum will showcase portable versions of their educational exhibits and serve refreshments. *This program is in partnership with Naperville Public Library, DuPage Children’s Museum and Naperville Park District.*

**Riverwalk - Grand Pavilion**
Saturday, June 27  10:00 a.m. – 2:00 p.m.

**Knoch Knolls Park - Nature Center**
Saturday, July 25  10:00 a.m. – 2:00 p.m.
CALLING ALL SUPERHEROES:
ROCK OUT WITH MR. DAVE
Tiny crusaders can don their capes and superhero costumes while jamming with musician Mr. Dave, who will present a toe-tapping show featuring classic children's songs, mainstream favorites and original tunes. This 50-minute show is designed to keep kids moving and shaking. Costumes are encouraged!
This program will be presented twice, and the second program will be a repeat of the first.

NIC Community Room
Saturday, July 11
10:30 – 11:20 a.m.
12:30 – 1:20 p.m.

*3-D SOFTWARE & PRINTING FOR KIDS
Little tech learners can design a three-dimensional object using the program Tinkercad. They also will learn the process of printing a 3-D design using the library's 3-D printer. For 3rd to 5th grades. *Program requires advanced registration with a fee.

95th Idea Lab
Saturday, June 27
1:00 – 2:30 p.m.

THREE CHEERS FOR THE RED WHITE AND BLUE
Celebrate Fourth of July with a star-spangled party where kids can listen to a patriotic story, create a celebratory craft, participate in a library parade and finish the fun with explosive science experiments in the name of America!

NIC Community Room
Wednesday, July 1
10:30 – 11:15 a.m.

NBL Program Room
Thursday, July 2
2:00 – 2:45 p.m.

95th Meeting Room A/B
Friday, July 3
10:30 – 11:15 a.m.

YOGA FOR KIDS
Get ready to move, bend and stretch while reading fun yoga stories, singing songs and acting out simple animal poses. Kids should wear comfortable clothing and bring a mat or towel to this interactive program. Program is limited to 15 children ages 3 to 7 years old.

NBL Program Room
Friday, July 10
10:00 – 10:30 a.m.

NIC Children's Storyroom
Thursday, July 16
10:30 – 11:00 a.m.

95th Children's Program Room
Friday, July 24
10:30 – 11:00 a.m.

FERMILAB SCIENCE ADVENTURES
Wow!!! Fermilab scientists will be returning to Naperville Public Library this summer for some exciting science presentations! These engaging programs will include demonstrations and activities to help students develop a deeper understanding of their world. For children in 2nd through 8th grades. These programs are presented in partnership with Fermilab.

95th Cryogenics
Meeting Room A/B
Monday, July 13
4:00 – 5:00 p.m.

Light & Color
NIC Community Room
Check our website or children's desk for date and time

Forces of Motion
NBL Program Room
Check our website or children's desk for date and time
CODEBREAKERS
Future cryptologists are invited to learn and experiment with codes and ciphers such as Pigpen, Morse code and Sliding Scale. After learning about codes, children will decode clues to direct them from one place to another in the library. **For children entering 3rd through 5th grades.**

- **Meeting Room A/B**
  - Thursday, July 16
  - 4:00 – 4:45 p.m.

- **Community Room**
  - Thursday, July 23
  - 1:30 – 2:15 p.m.

- **Program Room**
  - Monday, July 27
  - 10:30 – 11:15 a.m.

VIDEO CREATION FOR KIDS
Budding filmmakers can make their own movies for fun with friends or for a school project. They can learn how to record and edit as well as add music, sound effects and titles to their movie clips using the Idea Lab’s high-definition camcorder and editing software called iMovie. **For students in 3rd through 5th grades.**

- **Idea Lab**
  - Wednesday, Aug. 5
  - 10:00 – 11:30 a.m.

*DRIVE-IN MOVIE*
Summer is the perfect time for a drive-in movie. Children will decorate their own cardboard box cars, then park in designated spaces in front of the screen to watch a short movie. **For children ages 5 to 7 years old.** *Program requires advanced registration and is limited to 20 children.*

- **Program Room**
  - Monday, Aug. 3
  - 4:00 – 4:45 p.m.

- **Community Room**
  - Tuesday, Aug. 11
  - 3:00 – 3:45 p.m.

- **Meeting Room A/B**
  - Friday, Aug. 21
  - 4:30 – 5:15 p.m.

*SIGN AND PLAY WITH BABY*
Learn to communicate with babies using sign language. This three-week program will provide a fun environment for babies and their caregivers to learn the basics of sign language. Each week, a new theme will be introduced using stimulating activities, books, songs and play. **For children ages 8 to 23 months old.** *Program requires advanced registration and is limited to 12 babies per program.*

- **Children’s Storyroom**
  - Monday, Aug. 10
  - 6:30 – 7:00 p.m.
  - Meal time

  - Monday, Aug. 17
  - Bath time

  - Monday, Aug. 24
  - Park Fun

NAPERVILLE PLAYS
Triple the fun with exciting hands-on activities and on-site exhibits provided by Naper Settlement, DuPage Children’s Museum and Naperville Public Library. Kids can discover the wonder of play and innovation in a historical setting. This program will take place at Naper Settlement and requires a fee for those that are not Naperville residents or members of Naper Settlement. $12/adult, $10/senior (62+), $8/youth (4-12). This program is presented in partnership with Naper Settlement, DuPage Children’s Museum and Naperville Public Library.

- **Naper Settlement**, 523 S. Webster St.
  - Sunday, Aug. 16
  - 1:00 – 4:00 p.m.
TEEN PROGRAMS (6th through 12th grades)

TAG TEAM (TEEN ADVISORY GROUP): REDEFINING YOUR LIBRARY
TAGTeam is an advisory group of teens in 6th through 12th grades who work together with the teen services librarians to make Naperville Public Library a better place for teens and tweens. Participants will:

• Help the library find ways to make resources for teens even better
• Help decide what activities, programs and events are important
• Help the library decorate and plan its teen spaces
• Tell the library what books, music and magazines are needed
• Develop leadership skills and make new friends

Not only will this look great on college applications, but teens will also earn volunteer hours for participating. Snacks also will be provided. TAGTeam members must have a current and valid Naperville Public Library card. Applications can be found online or at the adult services desks. For more information about joining TAGTeam, contact:

Kiersten Doucette, teen services librarian 630-961-4100, ext. 6329 kdoucette@naperville-lib.org

Stacey Costabile, teen services librarian 630-961-4100, ext. 2203 scostabile@naperville-lib.org

Alison Colman, teen services librarian 630-961-4100, ext. 4959 acolman@naperville-lib.org

SUPERHERO WRITING AND DRAWING CONTEST
Every hero has a story, and teens can write it. Teen writers can submit a written biography or a short story (1,500 words or less) as well as their own drawing of a superhero. Participants can include their superhero’s name, where they live, their powers, their slogan and how they accomplish good in the world. The contest will begin June 1, and the deadline for entries is 9 p.m. Friday, July 31. Gift certificates to a local comic book store will be awarded to winners. Pick up an entry form at any Naperville Public Library location or look it up on the teen page of the library’s website, www.naperville-lib.org.

HEROES AND VILLAINS: TEEN DANCE @ THE RIVERWALK
Celebrate the beginning of summer and the library’s superhero-themed reading program with a kick-off dance at the Riverwalk. Teens can dress in superhero or villain costumes, request their favorite songs and maybe even perform a group dance. In case of inclement weather, the dance will take place in the Community Room at Nichols Library. Thanks to Sounds Abound for providing DJs and music.

Riverwalk Amphitheater
Friday, June 12 7:30 – 9:30 p.m.

TEEN MOVIE SERIES: MOVIE MATINEE
Watch new or classic movies while enjoying snacks with friends.

Community Room
Monday, June 15 2:00 – 4:00 p.m.
‘The Hunger Games: Mockingjay – Part 1’ (PG-13)

Nomura Room C
Wednesday, June 24 3:00 – 5:30 p.m.
‘The Amazing Spider-Man 2’ (PG-13)

Wednesday, July 22 3:00 – 4:45 p.m.
‘Fantastic 4’ (PG-13)

Wednesday, Aug. 12 3:00 – 4:30 p.m.
‘Fantastic 4: Rise of the Silver Surfer’ (PG)
TEEN MOVIE MARATHON: ‘THE HOBBIT TRILOGY’
Adventure and fantasy fans can enjoy a three-day Tolkien movie marathon for the ultimate heroes’ journey, “The Hobbit Trilogy.” Snacks will be provided as well as a few surprises for “tricksy hobbitses,” party elves and stubborn dwarves. Costumes are encouraged, but not required.

Program Room 1:30 – 4:30 p.m.
Monday, June 29
‘The Hobbit: An Unexpected Journey’ (PG-13)

Tuesday, June 30
‘The Hobbit: The Desolation of Smaug’ (PG-13)

Wednesday, July 1
‘The Hobbit: The Battle of the Five Armies’ (PG-13)

SUPERHERO MOVIE AND CRAFT MARATHON
Teens can spend a heroic afternoon watching superhero movies and creating crafts. Superhero duct tape will be available to create wallets, cellphone cases and other items attendees can take home. Teens also can create superhero-themed buttons.

Community Room 12:30 – 2:30 p.m.
Monday, July 20
‘Guardians of the Galaxy’ (PG-13)

2:30 – 5:00 p.m.
‘The Avengers’ (PG-13)

5:00 – 7:00 p.m.
‘X-Men: Days of Future Past’ (PG-13)

TEEN MOVIE: ‘DICK TRACY’ (PG)
Not all heroes wear a cape – sometimes they wear a yellow trench coat, fedora, radio wristwatch, and their statue can be found guarding over the Naperville Riverwalk. Teens can visit the library for a screening of the 1990 film that’s full of colorful mobsters, molls and of course, the famous gumshoe hero.

Program Room
Wednesday, July 29 1:30 – 3:30 p.m.

TEEN MOVIE: ‘SCOTT PILGRIM VS. THE WORLD’ (PG-13)
Every superhero needs a super villain … Scott Pilgrim has seven to defeat in order for Ramona to agree to be his girlfriend. Join fellow film buffs for a screening of this cult-classic favorite.

Program Room
Thursday, Aug. 27 4:30 – 6:30 p.m.

*ARDUINO WORKSHOPS
Adults and teens interested in coding and electronics can work with Arduino boards, which are microcontrollers that can be easily programmed using a variant of the C programming language. Participants can write and compile code to bring a variety of projects to life using the Arduino Uno and various electronic components. Arduino projects can be as simple as blinking a light on and off or as complex as a robot or smart thermostat. They can take inputs from a variety of switches or sensors to control lights, motors or other outputs. *All Arduino workshops require advanced registration and are limited to 10 participants.

*ARDUINO 101
This class will discuss basic electronics components and create some simple circuits using Arduino. No prior electronics or programming experience is required. *Program requires advanced registration.

Community Room
Monday, June 8 6:30 – 8:00 p.m.

Idea Lab
Thursday, July 30 6:30 – 8:00 p.m.
**RASPBERRY PI- BALLOON PI-TAY POPPER**
Teen tech lovers can pop a balloon the high-tech way using a Raspberry Pi computer. By creating a balloon popping circuit, teens can learn computer science skills as well as how to wire up a circuit, what transistors are used for and how to heat up a resistor so it will pop a balloon. *Program requires advanced registration and is limited to 10 participants.*

**95th**  
Idea Lab  
Thursday, June 18  
2:00 – 3:30 p.m.

**95th**  
Idea Lab  
Tuesday, Aug. 25  
6:30 – 8:00 p.m.

**SUPERHERO COSTUME DESIGN**
This hands-on drawing class presented by Christine Thornton’s Art Studio will analyze superhero costumes, including logos, masks, boots and everything in between. Teens can practice sketching basic costume elements and then create an original design or a variation on a favorite superhero. *Program requires advanced registration and is limited to 30 participants.*

**95th**  
Meeting Room A  
Tuesday, June 16  
1:00 – 2:30 p.m.

**BLEACH ART T-SHIRTS**
Crafters can create their own unique T-shirt design using a technique to etch words and art onto black T-shirts using only bleach. Participants must bring a black 100 percent cotton T-shirt and wear clothes they don’t mind getting stained. *Program requires advanced registration and is limited to 20 teen participants.*

**NBL**  
Program Room  
Wednesday, June 17  
1:30 – 3:30 p.m.

**LEGO MINDSTORMS BATTLE BOTS**
Teens will compete in teams to build and program Mindstorms EV3 and NXT 2.0 robots that are prepared for battle. The bots will then duke it out in the arena and attempt to push their opponent out of the ring. The last robot standing will be declared the winner. *Program requires advanced registration and is limited to 16 teen participants.*

**NIC**  
Community Room  
Friday, June 19  
3:00 – 4:30 p.m.

**95th**  
Meeting Room A/B  
Friday, July 31  
3:00 – 4:30 p.m.

**NBL**  
Program Room  
Tuesday, Aug. 18  
3:00 – 4:30 p.m.
*SUPERHERO CAPES*
A superhero isn’t a superhero without a cape. In conjunction with the superhero-themed summer reading program, teens can create a personalized cape with a logo. *Program requires advanced registration and is limited to 20 teen participants.*

- **NIC** Community Room
  - Wednesday, June 24
  - 3:00 – 4:00 p.m.
- **NBL** Program Room
  - Thursday, July 9
  - 2:30 – 3:30 p.m.

**Wii™ GAMING**
Gamers can bust out their mad Wii gaming skills at the library. Players can choose from many Wii games available and challenge their friends to a variety of games like Guitar Hero or Super Smash Bros.

- **NBL** Program Room
  - Thursday, June 25
  - 1:30 – 3:00 p.m.
- **95th** Meeting Room A/B
  - Wednesday, Aug. 26
  - 3:00 – 4:30 p.m.

**SUPERHERO TRIVIA: FANDOM VS. FANDOM**
Pick a side: Choose between Marvel versus DC Comics. Then, comic book fans can prepare to propel their team to the top with their superhero trivia knowledge. Questions from each fandom will be asked during multiple rounds that get harder the farther each team advances. The winning team will receive bragging rights, an opportunity to experience the Idea Lab at 95th Street Library and print an object on the library’s 3-D printer.

- **95th** Meeting Room A
  - Tuesday, June 30
  - 3:30 – 5:00 p.m.

**OPEN MIC NIGHT @ THE RIVERWALK**
Teens can join the library for an evening of entertainment on the Riverwalk. Performers are invited to showcase their talents of singing, dancing, playing an instrument, storytelling, poetry, and comedy. Family and friends are welcome to join the audience too. In case of inclement weather, the library will host Open Mic Night in the Community Room at Nichols Library.

- Riverwalk Amphitheater
  - Tuesday, June 30
  - 7:00 – 8:30 p.m.

**Wii™ GAMING TOURNAMENTS**
Gamers can compete to win bragging rights and a Target gift card in Wii Gaming Tournaments. Participants are also welcome to bring their Nintendo DS to play for fun with other teens.

- **NIC** Community Room
  - Friday, July 3
  - 2:00 – 4:00 p.m.
  - Mario Kart
  - Tuesday, Aug. 4
  - Super Smash Bros. Brawl

**COMIC BOOK MAGNETS**
Teens will use old graphic novels and comic books to make superhero magnets. Supplies will be provided, but participants can also bring any small pictures to use for their magnets.

- **NIC** Community Room
  - Friday, July 10
  - 3:00 – 4:30 p.m.

**FOURTH ANNUAL ICE CREAM TASTE-OFF**
No shushing is allowed as teens will scream for ice cream during this taste-off. They can sample and judge store-brand versus name-brand ice cream while playing ice cream trivia.

- **95th** Meeting Room A/B
  - Wednesday, July 15
  - 2:00 – 3:00 p.m.
*LED LIGHT WRISTBANDS*
Explore electronic textiles by creating a cool, one-of-a-kind accessory with batteries, conductive thread and LED lights that were donated by SparkFun Electronics. *Program requires advanced registration and is limited to 12 teen participants.*

NIC Community Room
Thursday, July 16 2:00 – 4:00 p.m.

*BATTLE OF THE BANDS*
Local teen bands can compete in a battle of the bands. The winner will get to record a song with professional equipment at 95th Street Library and be featured on the library’s website. All bands must register and will be chosen on a first-come, first-served basis. Space is limited to four bands. All songs must be appropriate for a general audience. *Program requires advanced registration for performing bands.* For more information or to sign up, contact Kiersten Doucette, teen services librarian, at kdoucette@naperville-lib.org or 630-961-4100, ext. 6329.

Riverwalk Amphitheater
Friday, July 17 2:00 – 6:00 p.m.

*PERSONALIZED CANVAS TOTE BAG*
Create a bag that is perfect for carrying a summer reading book haul from the library. Crafters can personalize and decorate a canvas tote bag using a variety of paints, markers and stencils. *Program requires advanced registration and is limited to 20 teen participants.*

NBL Program Room
Thursday, July 23 1:30 – 3:30 p.m.

IT’S A BIRD, IT’S A PLANE ... IT’S A PAPER AIRPLANE!
Daring teens can fly paper planes throughout the library. They can make an airplane out of old graphic novels, comics, newspapers and other materials to determine what type of paper has the best flying ability.

95th Meeting Room A
Tuesday, July 28 2:00 – 3:00 p.m.

SUPERHERO TRAINING ACADEMY
This training academy will test a brave teen’s super powers in a series of physical and mental challenges. The winning superhero will receive a gift card to a local comic book store. Participants should meet in the Community Room before heading outside to the challenge arena.

NIC Community Room
Thursday, July 30 3:00 – 4:30 p.m.

*ULTIMATE SUPERHERO CRAFTING AFTERNOON*
This ultimate superhero crafter-noon will allow creative teens to make various superhero-inspired pieces using Perler beads, Mod Podge and other materials. *Program requires advanced registration and is limited to 20 teen participants.*

NBL Program Room
Wednesday, Aug. 5 1:30 – 3:30 p.m.

HIGH SCHOOL SURVIVAL GUIDE
Students can get prepared for the school year as upperclassman from local high schools will share tips and best practices about their own experiences surviving high school. Teens will also learn how to make life easier by using the library’s online resources and homework help.

NIC Community Room
Monday, Aug. 10 3:00 – 4:30 p.m.

CHESS AND BOARD GAME AFTERNOON
Chess and board game enthusiasts can challenge opponents and enjoy an afternoon of strategy and luck. A variety of chessboards will be available as well as a broad selection of other games including Settlers of Catan, Risk, Goblet, Scrabble, Sorry!, Stratego, Clue, and Axies and Allies.

NIC Community Room
Friday, Aug. 14 2:00 – 5:00 p.m.
**BOOKS & BITES**
Teens and a parent/adult will read the selected book together and then attend the book club to discuss it with others. Snacks will be provided. **For teens in 6th through 8th grades. *Program requires advanced registration and is limited to 20 participants.*

NBL Program Room  
Wednesday, July 22  
7:00 – 8:00 p.m.  
“The False Prince” by Jennifer A. Nielsen

**TEEN CLUBS**

**YAY FOR YA! – AN ONLINE GOODREADS BOOK CLUB**
Lovers of young adult literature can sign up for the library’s online Goodreads book club. Each month, a new book will be selected, and readers can discuss it online through the participants’ Goodreads account. Request to join the group “Yay for YA! An Online Book Club” online at www.goodreads.com, or email teen librarian Alison Colman at acolman@naperville-lib.org. Sign up early to take a poll on what book selection the club should read first. The first book will be posted on June 1, and participants will have the entire month to read it and discuss.

ANIME CLUB
Anime fans can enjoy Japanese snacks, wear cosplay and chat about Japanese animation.

NBL Program Room  
Monday, June 8  
Monday, July 13  
Monday, Aug. 10

**WRITE ALL ABOUT IT!**
Aspiring writers can attend this writing group to practice honing their skills in a non-judgmental environment. Join an individual class or plan on attending the series.

NIC Program Room  
Wednesday, June 10  
Journaling: Share Yourself  
Wednesday, July 8  
Characters: Creating Personalities  
Wednesday, Aug. 12  
Subjects: What It’s All About

**PIZZA AND BOOKS: TEEN BOOK CLUB**
Readers can discuss books they have recently read, are currently reading or even old-time favorites. Pizza will be provided to fuel the conversation.

NIC Community Room  
Monday, June 22  
Monday, July 27  
Monday, Aug. 17  
6:00 – 6:45 p.m.
GETTING READY FOR COLLEGE

*ACT VS. NEW SAT: WHAT TEST IS RIGHT FOR YOU?
C2 Education will discuss the ACT, new SAT and the challenges of each test. Students will also learn vital testing strategies to improve scores. This program is presented in partnership with C2 Education. *Program requires advanced registration.

Meeting Room A
Thursday, June 11 7:00 – 8:00 p.m.

*COLLEGE APPLICATION AND ESSAY WRITING SEMINAR
Applying for college can be a daunting task, but help is available at the library. C2 Education will discuss the ins and outs of college applications, including tips on writing the essay. Students also will learn how to best show off their academic achievements and activities. The seminar is geared for high school students in 10th through 12th grades and their parents. This program is presented in partnership with C2 Education. *Program requires advanced registration.

Community Room
Wednesday, June 17 7:00 – 8:00 p.m.

Meeting Room A
Thursday, Aug. 6 7:00 – 8:00 p.m.

*NEW SAT PRACTICE TEST
Take the new SAT Practice Tests though C2 Education to strengthen core skills. The new SAT will be effective for the graduating class of 2017 and older. This program is presented in partnership with C2 Education. *Program requires advanced registration.

Saturday, June 27 12:30 – 3:45 p.m.

Meeting Room A/B Community Room
Saturday, July 18 12:00 – 3:15 p.m.

NEW SAT

Meeting Room A/B
Saturday, Aug. 15 12:00 – 4:00 p.m.

*SECRETS OF A YALE GRAD
A C2 Education Yale graduate will discuss how they got into their dream school. They will touch on the topics of coursework rigor, including GPA, SAT, ACT, recommendations, interviews and college essays. This program is presented in partnership with C2 Education. *Program requires advanced registration.

Community Room
Wednesday, Aug. 5 7:00 – 8:30 p.m.

*FAFSA & FINANCIAL AID SEMINAR
Learn about federal financial aid, the FAFSA (Free Application for Federal Student Aid) and tips for completing this part of the college application process. This program is presented in partnership with C2 Education. *Program requires advanced registration.

Meeting Room A
Thursday, Aug. 27 7:00 – 8:00 p.m.
ADULT PROGRAMS

ENGLISH CONVERSATION GROUPS FOR ESL STUDENTS
These groups are designed to give English-as-a-second-language students a chance to practice their skills in a relaxed and comfortable environment. All adult learners can attend the free groups, and one does not have to attend every session. No registration is required. For more information, contact Literacy DuPage at 630-416-6699. This is a partnership between Naperville Public Library and Literacy DuPage.

NBL Lower Level Conference Room
Every Wednesday 10:00 a.m. – 12:00 p.m.

STITCHING IN THE STACKS
Stitch with the library’s community knit, crochet and needlecraft clubs. Crafters of all skill levels can share tips and ideas as well as showcase their latest projects or ask for help on projects they may be struggling to complete. Along with good company, conversation and refreshments, attendees will also learn about charity projects, share ideas and patterns or swap materials. Books on knitting, crocheting and needlecrafts will also be available.

NBL Program Room
Tuesday, June 2
Tuesday, July 7
Tuesday, Aug. 4

NIC Board Room
Thursday, June 11
Thursday, July 9
Thursday, Aug. 13

95th Meeting Room A
Tuesday, June 9 & 23
Tuesday, July 7 & 21
Tuesday, Aug. 4 & 18

FREE MOVIE @ THE LIBRARY
Movie lovers can visit the library each month for a screening of a newly released DVD. Skip the long lines at the theater as well as the long hold lists at the library and see a movie with other like-minded film buffs. Check the library’s website, www.naperville-lib.org, for upcoming titles. No one younger than age 18 will be admitted to an R-rated movie without a parent or guardian.

NIC Community Room
Sunday, June 7
Sunday, July 5
Sunday, Aug. 30

95th Nomura Room C
Saturday, June 20
Saturday, July 18
Saturday, Aug. 15

NBL Program Room
Thursday, June 25
Thursday, July 23
Thursday, Aug. 13

GENEALOGY DROP-IN HELP
A volunteer from the Fox Valley Genealogical Society will be available to help any individuals who need assistance on a genealogy project.

NIC Adult Services Department
1st Tuesday each month 6:30 – 8:30 p.m.
3rd Thursday each month 12:30 – 2:30 p.m.
3rd Thursday each month 3:00 – 5:00 p.m.
*AUDIO/VIDEO CONVERSION
Learn how to convert old VHS tapes to DVDs or movie files and convert LPs or cassettes to MP3s. *Program requires advanced registration and is limited to 12 participants.

95th Idea Lab
Thursday, June 4
6:30 – 8:00 p.m.

*ARDUINO WORKSHOPS
Adults and teens interested in coding and electronics can work with Arduino boards, which are microcontrollers that can be easily programmed using a variant of the C programming language. Participants can write and compile code to bring a variety of projects to life using the Arduino Uno and various electronic components. Arduino projects can be as simple as blinking a light on and off or as complex as a robot or smart thermostat. They can take inputs from a variety of switches or sensors to control lights, motors or other outputs. *All Arduino workshops require advanced registration and are limited to 10 participants.

95th Community Room
Monday, June 8
6:30 – 8:00 p.m.

95th Idea Lab
Thursday, July 30
6:30 – 8:00 p.m.

*ARDUINO 101
This class will discuss basic electronics components and create some simple circuits using Arduino. No prior electronics or programming experience is required. *Program requires advanced registration.

NIC Community Room
Monday, June 8
6:30 – 8:00 p.m.

95th Idea Lab
Thursday, July 30
6:30 – 8:00 p.m.

*ARDUINO FREE BUILD
In this workshop, participants can use available components to create a project of their choice. No group instruction will be offered, and prior experience or attendance at one of the library’s previous Arduino programs is recommended. *Program requires advanced registration.

NIC Community Room
Tuesday, Aug. 11
6:30 – 7:30 p.m.

SECRET TO INCREASING YOUR HOME’S CURB APPEAL
Attendees will learn how to add value to their home by increasing curb appeal with an attractive, yet functional landscape plan. Landscape designer Sandy Remijas of Rainbow Garden Designs will present tips on how to improve the look of a home’s exterior with low-maintenance landscape design techniques. She also will provide practical ideas on how to add color to the landscape from spring through fall.

95th Meeting Room A
Tuesday, June 9
7:00 – 8:30 p.m.

HEALTHY HABITS FOR A HEALTHIER YOU
Scientists have known for centuries the health of the brain and the body are connected. But now, science is able to provide insights into how to optimize one’s physical and cognitive health as they age. Learn about research in areas of nutrition, exercise, cognitive activity and social engagement and use hands-on tools to help incorporate these recommendations into a plan for healthy aging. This program is presented in partnership with the Alzheimer’s Association.

95th Meeting Room B
Thursday, June 11
7:00 – 8:30 p.m.
SMALL BUSINESS WORKSHOP: SEARCH ENGINE OPTIMIZATION
Bruce Jones, chief executive officer at Design & Promote, will offer strategies to turn strangers into customers by achieving leads through search engine optimization. He will cover topics such as keyword search, the most important place to use a keyword and how to use calls to action to keep people on the site.

**FINANCIAL LITERACY WORKSHOP: THE MONEY MATRIX**
Presenters from The Foundation for Financial Education will discuss the thought process required to make the components of money work for an individual. Attendees will learn more than one solution to setting mid-career financial goals even in career transition.

**JOB SEARCH WORKSHOP: BRING YOUR JOB SEARCH TO THE LIBRARY**
Job seekers can learn how to use the library’s powerful and unique online resources while searching for a job. Business- and career-focused databases will help to identify industry and job demand, salary ranges as well as provide access to expert resume and interview preparation guidance. Learn how to create lists of potential employers by industry classification and how to research news, executive names and financials for specific companies.

**GENEALOGY WORKSHOP: TALES OF SERENDIPITY**
Learn about the serendipitous aspects of discovering unique coincidences through family research as genealogist Delray Palmer shares several incredible stories of genealogical serendipity.

**GENEALOGY WORKSHOP: TIMELINES AS A RESEARCH TOOL**
Laura Kovarik, a member of the Fox Valley Genealogical Society, will explain how to use timelines to organize genealogy research.

***DOWNLOADABLES FAIR**
Attendees can bring their devices to learn how to download e-books, e-audiobooks, magazines and music from the collection of more than 20,000 titles in the library’s collection, which is compatible with Apple (iOS), Android- and Windows-based products, as well as versions of the Nook and Kindle. *Program requires advanced registration.*

**SMALL BUSINESS WORKSHOP: THE COSTS OF DOING BUSINESS**
Bob Cahill, certified public accountant and certified financial planner, will present the various cost aspects of organizing and operating a business. Topics will include start-up costs, materials, lease, employees and taxation.

**FINANCIAL LITERACY WORKSHOP: GOALS FOR FINANCIAL SUCCESS**
Presenters from The Foundation for Financial Education will discuss ways to invest, such as pursuing real estate and mortgage opportunities as well as social security benefit planning and other financial strategies.
LOLLAPALOOZA DANCE PARTY
Gear up for Lollapalooza by listening to headliners from this year’s fest and some classic performers who rocked the stage at previous fests. During the dance party, music lovers also can learn how to download songs from these artists free and legally.

Meeting Room A/B
Thursday, July 23 4:00 – 5:00 p.m.

UNDERSTANDING COMMON CORE
New Common Core guidelines and objectives, as well as changes in standardized testing, have been fully implemented in the 2014-15 academic year for all grade levels. The Partnership for Assessment of Readiness for College and Careers (PARCC) testing will also begin starting in the 2015-16 academic year. Learn how the new Common Core state and national standards along with new PARCC testing may affect the learning outcomes and goals that are expected of students in the classroom.

Meeting Room A
Wednesday, July 29 7:00 – 8:00 p.m.

MEDITATION FOR HEALTHY LIVING
Join Michael Ribet, who has been practicing meditation for over 40 years as he discusses how meditation can improve our physical, mental and spiritual health. He will present effective methods for creating a more satisfying lifestyle including harmonious relationships and a deep sense of peace. Participants will learn effective strategies and a simple but profound meditation technique that will help remove stress and worry. The audience will have a chance to practice this simple technique that can reduce stress, enhance relaxation and promote inner growth.

Meeting Room A
Monday, Aug. 10 7:00 – 8:30 p.m.

GENEALOGY WORKSHOP: NEXT STEP IN RESEARCH
Laura Kovarik, a member of the Fox Valley Genealogical Society, will assist budding family tree researchers in the next steps after using the library database for research.

Community Room
Wednesday, Aug. 12 6:30 – 8:30 p.m.

HISTORY OF COMIC BOOK SUPERHEROES
Join author and comic book aficionado Terry Fisk as he talks about the artists and writers who created well-known superheroes. Fisk will reveal the influences and inspiration for these powerful characters and examine the history of comic books, as well as the impact they’ve had on our culture. As a teenager, Fisk drew a weekly comic strip for the local newspaper and later studied to be a comic book artist. Fisk owns a huge collection of comics, has met many of the artists and writers, and possesses an encyclopedic knowledge of the subject.

Community Room
Monday, Aug. 24 7:00 – 8:00 p.m.

JOB SEARCH WORKSHOP: USING SOCIAL MEDIA
An effective and engaging social media profile will help job seekers stand out when hiring managers and bosses search for them online. Bruce Jones, chief executive officer of Design & Promote, will share simple steps for optimizing LinkedIn profiles and other social media channels.

Community Room
Tuesday, Aug. 18 6:30 – 8:30 p.m.

FINANCIAL LITERACY WORKSHOP: ESTATE PLANNING AND TAXES
Presenters for The Foundation for Financial Education will show how to navigate demographics in a changing financial climate and how to leave a tax-free financial legacy even in uncertain times.

Community Room
Wednesday, Aug. 19 6:30 – 8:30 p.m.

SMALL BUSINESS WORKSHOP: BUSINESS PLANNING
Entrepreneur Mark Quigley, co-founder and chief executive officer of DezinerSoftware, will discuss business planning and demonstrate how to use software to create a plan worthy of a funding request presentation to a venture capitalist, angel investor or investment banker.

Community Room
Tuesday, August 25 6:30 – 8:30 p.m.
BOOK AND DISCUSSION GROUPS

*READER’S NIGHT OUT*
Socialize with other readers at Quigley’s Irish Pub in downtown Naperville and share recent reads and favorite titles. Arrive at 6:15 p.m. to purchase dinner, or join the group at 7 p.m. for the discussion only. *Program requires advanced registration.*

Quigley’s Irish Pub, 43 E. Jefferson St.
Monday, June 1  7:00 – 8:30 p.m.
Monday, Aug. 3  7:00 – 8:30 p.m.

CRIMINAL SPINES BOOK CLUB
Peer into humanity’s darker nature via the world of criminals and detectives. This book club will read and discuss mysteries, thrillers, suspense novels and true crime. Plot twists and red herrings are the order of the day, while the level of violence will vary from author to author.

Lower Level Conference Room
7:00 – 8:30 p.m.

Thursday, June 11
“Cop Town” by Karen Slaughter

Thursday, July 9
“The Sweetness at the Bottom of the Pie” by Alan Bradley

Thursday, Aug. 13
“The Big Sleep” by Raymond Chandler

THE BIG SLEEP MOVIE VIEWING
Join the Criminal Spines Book Club for a viewing of the film “The Big Sleep” adapted from the classic noir novel by Raymond Chandler. Starring Humphrey Bogart and Lauren Bacall, this movie is itself one of the best examples of film noir ever created and was added to the National Film Registry in 1997. The Criminal Spines Book Club will have discussed the novel “The Big Sleep” on Aug. 13.

Program Room
Thursday, Aug. 20  6:30 – 8:30 p.m.

READ AROUND THE WORLD BOOK CLUB
Travel the globe with the Read Around the World Book Club. Titles will represent a variety of countries and cultures.

Lookout Room
7:00 – 8:00 p.m.

Wednesday, June 24
“God of Small Things” by Arundhati Roy

Wednesday, July 22
“In a Sunburned Country” by Bill Bryson

Wednesday, Aug. 26
“The Alchemist” by Paulo Coelho
CONSTANT READERS EVENING BOOK CLUB
Members of Constant Readers Book Club will share their love of reading by meeting with other like-minded readaholics to discuss books on various subjects, both fiction and nonfiction!

Lower Level Board Room
7:00 – 8:30 p.m.

Thursday, June 18
“Z: A Novel of Zelda Fitzgerald” by Therese Fowler

Thursday, July 16
“Dad is Fat” by Jim Gaffigan

Thursday, August 20
“Ocean at the End of the Lane” by Neil Gaiman

READERS RENDEZVOUS DAYTIME BOOK CLUB
Meet up for a morning book discussion of both fiction and nonfiction with Readers Rendezvous Daytime Book Club.

Lower Level Board Room
10:30 – 11:30 a.m.

Tuesday, June 23
“The Red Garden” by Alice Hoffman

Tuesday, July 28
“The Master Butchers Singing Club” by Louise Erdrich

Tuesday, August 18
“The Orchardist” by Amanda Coplin

CRAFT & DISCUSSION
Join the Criminal Spines Book Club to make bookmarks themed around elements from the novel “The Sweetness at the Bottom of the Pie” by Alan Bradley. Participants can make the craft while discussing the book.

Lower Level Conference Room
7:00 – 8:30 p.m.

Thursday, July 9
“The Sweetness at the Bottom of the Pie” by Alan Bradley

BUSINESS TECH PROGRAMS

LYNDA.COM: LINKEDIN FOR BUSINESS
Learn how to use LinkedIn to help accomplish sales, branding, lead generation and recruiting goals.

Saturday, June 6
10:00 – 11:30 a.m.

LYNDA.COM: COMPUTER SECURITY AND INTERNET SAFETY
This lynda.com tutorial will teach business owners how to safeguard their computers and laptops, keep digital data secure and protect online privacy.

Saturday, July 25
10:00 – 11:45 a.m.

*COMMERCIAL EDITING
Business owners can learn how to edit videos using iMovie to make their commercials look more professional. The class also will teach how to upload and promote the video on social media such as YouTube and WordPress. *Program requires advanced registration and is limited to 12 participants.

Wednesday, Aug. 12
8:00 – 9:30 a.m.
EGGBOT
Tech heads can learn how to use the EggBot art robot to draw on spherical objects like golf balls, eggs or drinking glasses. *Program requires advanced registration and is limited to 6 participants.

95th Idea Lab
Wednesday, June 10  2:00 – 3:30 p.m.

BUTTON CREATION
Using computer design software, individuals can create a unique design or image to be placed on a 1.5-inch button of which they can wear for fun or promote their business. Participants can bring a favorite picture or image to class. *Program requires advanced registration and is limited to 12 participants.

95th Idea Lab
Tuesday, June 23
Tuesday, July 21
Tuesday, Aug. 11 2:00 – 3:30 p.m.

INTRODUCTION TO THE SILHOUETTE CAMEO CUTTING MACHINE
This class will demonstrate how to use the Silhouette Cameo cutting machine. This may look like a normal at home printer but instead of using ink to print an image, it uses a marker to draw or small blade to cut designs into paper, cardstock or vinyl. *Program requires advanced registration and is limited to 6 participants.

95th Idea Lab
Wednesday, June 24  2:00 – 3:30 p.m.

INTRODUCTION TO THE SILHOUETTE CAMEO CUTTING MACHINE
This class will demonstrate how to use the Silhouette Cameo cutting machine. This may look like a normal at home printer but instead of using ink to print an image, it uses a marker to draw or small blade to cut designs into paper, cardstock or vinyl. *Program requires advanced registration and is limited to 6 participants.

95th Idea Lab
Wednesday, July 29  2:00 – 3:30 p.m.

The following computer and technology classes have a non-refundable, non-transferable attendance fee for each class that must be paid at the time of registration. Classes are appropriate for adults and students in 8th grade or older and are limited to 12 participants. Registrations for these classes are taken at the computer lab desks. The fee for these classes is:
Naperville Public Library card holders: $10
Non-Naperville Public Library card holders: $20
Participants can transfer to another class with one week's advance notice. If individuals cannot attend a class for any reason, they should inform the computer lab staff so the spot may be available to an individual on the waiting list.

3-D SOFTWARE & PRINTING FOR KIDS
Little tech learners can design a three-dimensional object using the program Tinkercad. They also will learn the process of printing a 3-D design using the library’s 3-D printer. For 3rd to 5th grades. *Program requires advanced registration with a fee.

95th Idea Lab
Saturday, June 27  1:00 – 2:30 p.m.
**3-D SOFTWARE & PRINTING FOR TEENS**
Teens can learn how to design a three-dimensional object using the software 123D and find out how to print the object using the library’s 3-D printer.  
*Program requires advanced registration with a fee.*

95th Idea Lab  
Wednesday, July 15  2:00 – 3:30 p.m.

**3-D SOFTWARE & PRINTING FOR ADULTS**
Adults can learn how to design a three-dimensional object using the software 123D and find out how to print the object using the library’s 3-D printer.  
*Program requires advanced registration with a fee.*

95th Idea Lab  
Thursday, August 6  6:30 – 8:00 p.m.

**EXCEL 1**

Meeting Rooms
Individuals can use Naperville Public Library’s meeting rooms for their next meeting, seminar or piano recital. The library rents meeting spaces for 12 to 150 people. More information is available at www.naperville-lib.org or by calling 630-961-4100, ext. 2220.

Sale of Used Library Equipment
Naperville Public Library’s website includes a page of items that are available for immediate sale. These items may include computers, furnishings and other pieces of equipment. Click on “Sale Page” on the bottom of the library website.

ADA Compliance
Naperville Public Library is in compliance with the Americans with Disabilities Act (ADA). Wheelchairs are available upon request at all buildings. All buildings have automatic doors. If a signer is needed for a program, make arrangements seven business days in advance by calling 630-961-4100, ext. 4931.

Priority Service
Naperville Public Library reserves the right to give preference to Naperville Public Library card holders in case(s) of limited seating.

Promotional Disclaimer
Attendance at a Naperville Public Library program or event constitutes a willingness to appear in any and all promotional materials for the library and releases the library, its licensees and performance use groups from any and all liability related to the usage of promotional materials. Names are never used in library promotional materials. If you or your children do not wish to appear in possible future library promotions, consult with the photographer or a library staff member.

Prizes
Prizes cannot be substituted or redeemed for cash value.
