

Screen Free Project for Elementary School

Puppy Craft

Instructions:

Supplies: empty cardboard egg carton, markers, scissors

- Separate bottom of egg carton (egg cups) from the lid
- Using scissors, separate egg cups into individual pieces
- Choose an animal to create
- Use scissors to cut legs into bottom (open end) of egg cup
- Use cardboard scraps to create ears and tail, if desired
- Color egg cup animal with markers
- If you like, turn left over scraps into additional animals or make an animal house
