

ADDENDUM # 1
Naperville Public Library
Landscaping, Lawn and Property Maintenance RFP
Questions thru March 15, 2021

1. Is fertilization included in this RFP?
 - a. Yes. Three fertilization applications at all locations will be requested in this RFP.

2. What area of the south side of the 95th St. location and the adjacent park is the landscaping contractor responsible for?
 - a. The landscaping contractor is only responsible for string trimming along the southside of the building, and for cutting an approximate six-foot area of the pond slope next to the parking lot. Along Cedar Glade, the landscaping contractor is responsible for all the grass between the road and the pond. See attached site drawing for reference. A site visit with the awarded contractor will be necessary prior to the contract start to further detail these areas.
